Expanding ecumenical witness

Of the many 2007 highlights at Ecumenical Ministries of Oregon (EMO), the most remarkable is the exponential increase in our membership. It is moving to witness the positive response of so many new congregations, ecumenical organizations and interfaith partners in support of EMO's mission, "to join together in ministry, dialogue and service to witness God's love and our collective hope for God's creation." In addition to our 16 denominational members, **we added over 80 new members**, who are highlighted in bold text in this report. As well as providing a stronger fiscal base for EMO, our new membership most importantly creates opportunities for deeper relationships and interactions among faith communities, and for collaborative ministry addressing some of Oregon's most challenging problems.

As this expansion makes clear, EMO takes seriously the contemporary Gospel message of hospitality and service in the spirit of justice, peace and unity. We invite you to join in our numerous community ministry programs, theological dialogue and education opportunities, environmental and public policy advocacy, and prayer and worship activities, all of which connect people and communities of faith to work together to improve the lives of all Oregonians. Our Web site (www.emoregon.org) is a good place to connect to EMO, as well as to a number of other interreligious events and activities throughout Oregon.

Important to our efforts in 2007 were the completion of the Patton Home Capital Campaign (including the dedication of the Rodney Page Community Ministries Center), the creation of advisory committees on "Human Needs" and "Refugee and Immigration Services" supporting our Community Ministries programs, and the launch of the inaugural Interfaith Energy and Climate Stewardship Advocacy Day at the Oregon Legislature. EMO was also the catalyst for interreligious efforts to increase health care access in Oregon and developed the Oregon Interreligious Campaign Against Torture, currently supported by nearly 700 congregations and people of faith throughout the state.

This coming year will be characterized by increasing membership, expanded programming, more statewide outreach on critical issues, and increased planned giving and endowment building to solidify our long-term financial future. As this report details, we are blessed to be able to gather and support such a broad group of members and collaborators to work together in the spirit of Jesus' prayer "that they all may be one." We invite you to join with Ecumenical Ministries of Oregon in the days ahead.

Faithfully,

James Buck

Northeast Emergency Food Program relocated to Luther Memorial Lutheran Church, after nearly 20 years at Redeemer Lutheran, and expanded services such as a shopping-style food pantry and a clothing program.

Hunger, Nutrition & Social Support

Serving communities in crisis and people in need is central to EMO's basic human needs programs, which are listed below.

Food Services/Delizioso Catering prepares nutritious meals for clients at the HIV Day Center and Daily Bread Express, residents at the Patton Home and students at six local schools. The program also runs a catering service, providing outstanding and affordable food for events.

HIV Services offers a wide range of assistance for people living with HIV/AIDS. The Day Center provides meals, counseling, recreational therapy, computers, phones, laundry, clothing and showers. The Daily Bread Express is the only program in Portland that delivers hot and frozen meals to home-bound individuals living with HIV/AIDS.

Northeast Emergency Food Program (NEFP) provides nutritionally-balanced food for people in critical need and works to develop neighborhood-based solutions to secure access to adequate, affordable and healthy foods.

Hunger, Nutrition and Social Support in 2007 ...

Food Services/Delizioso Catering served 1,820 meals per week for students at six local schools, residents at the Patton Home and clients of EMO's HIV Services programs ■ **HIV Services** assisted 302 Day Center and Daily Bread Express clients, providing them with 16,281 meals and 6,167 therapeutic encounters ■ **NE Emergency Food Program** at Luther Memorial provided food for 16,186 individuals from 5,512 families.

EMO's Environmental Ministries held the first Interfaith Energy & Climate Stewardship Advocacy Day in February, attended by over 130 people from across the state, many of whom arrived in a biodiesel-fueled bus.

In February, EMO's Public Policy program organized the largest ever Interfaith Advocacy Day, "Family and Community Stability: A Value for All Oregonians," attended by 300 people and co-sponsored by nearly 50 faith-based organizations.

Public Policy Advocacy

EMO believes that we are called to promote justice and compassion, ensuring that all Oregonians are able to live their lives full of possibility. EMO's **Public Policy Advocacy** helps train and engage people so that they may participate in this important aspect of our ministry.

EMO's advocacy network **Christians for Peace and Justice** unites individuals, congregations and religious organizations from different denominations across the state who are committed to advocating for social justice as witnesses to the public policy process on a state and national level.

Public Policy Advocacy in 2007 ...

Lobbied actively in support of successful anti-discrimination legislation (SB 2) and domestic partnerships bill (HB 2007) ■ *Successfully advocated for an expanded state earned income tax credit (EIC) and tighter regulation of payday lending and supported increased funding for health and human service programs during the 2007 Legislative Session* ■ Lobbied offices of Senator Gordon Smith, Senator Ron Wyden and Congressman Earl Blumenauer on tax reform and economic stimulus issues.

Sponsors Organized to Assist Refugees resettled 226 refugees from the following countries: Burma, Cuba, the Former Soviet Union, Ethiopia, Iran, Liberia, Nepal, Somalia, Sudan, Tibet and Vietnam.

Refugee & Immigration Ministries (RIM)

EMO's Refugee and Immigration Ministries offer comprehensive and compassionate services to thousands of refugees and immigrants in the Portland metro area through the programs listed below.

Portland International Community School (PICS) provides culturally-relevant education in collaboration with Portland Public Schools for refugee, immigrant and first generation high school students.

Russian Oregon Social Services (ROSS) gives assistance to Russian-speaking refugees and immigrants, including domestic violence services, breast health education, mental health counseling, youth services, ESL and computer classes, citizenship training, legal and tax assistance, dental care and more.

Sponsors Organized to Assist Refugees (SOAR) offers resettlement and comprehensive services to refugees through church and other sponsorships, including asylum coordination.

Theological Education & Dialogue

EMO's **Theological Education and Dialogue** programs help congregations and individuals deepen their own faith and ecumenical commitments and better understand those of their neighbors. Each year, EMO offers workshops, discussions, lectures, presentations, celebrations and prayer vigils to celebrate Christian unity, foster interfaith relations and explore ethical and moral issues. EMO also sponsors the Collins Lectures, an annual event designed to provide an opportunity for clergy and laity to explore issues related to religion and social ethics.

EMO makes every effort to ensure accuracy. Please contact us at (503) 221-1054 if you notice an error.
