**A simply delicious way to support a worthy cause!  
Dining Out for Life® hosted by Subaru  
On Thursday, April 25, 2013 ... DINE OUT, FIGHT AIDS**

On Thursday, April 25, 2013, more than 250,000 people across North America are expected to help raise crucially needed funds for their local HIV/AIDS service organizations by eating in one of the more than 3,500 restaurants in 56 cities that will donate a generous percentage of revenue from meals served that day. In Portland, approximately 30 participating restaurants will donate between 20 to 30 percent of that day's profits to the Ecumenical Ministries of Oregon (EMO) HIV Day Center and OHSU Partnership Project.

The HIV Day Center is a drop-in center for low income people living with HIV and AIDS. In addition to providing hot meals, they provide counseling, peer support, clothing, phones, internet access, showers and laundry facilities. OHSU Partnership Project was founded in 1995 to provide services to people living with HIV/AIDS, their families and those at high-risk. They provide HIV case management and prevention counseling to those living with HIV/AIDS.

"Dining Out for Life is a win-win-win!" says spokesperson Ted Allen, host of the Food Network show "Chopped." "The event helps bring new customers into neighborhood restaurants, it gives everyone an opportunity to make a contribution just by having breakfast, lunch or dinner with friends, and all money raised in each city, stays in that city." Film and TV actor Pam Grier is a co-spokesperson for the event and will appear with Allen in a Public Service Announcement for the event.

National sponsor Subaru, and regional sponsors, Oregon Health Sciences University, PQ Monthly and Central Drugs, along with volunteers, provide valuable support to the event.
