Measure 102: Vote YES

Allows Municipal Bond Revenue to Fund Privately Owned Affordable Housing. Measure 102 will provide local governments with another tool to address Oregon's housing crisis in a fiscally sound manner.

Measure 103: Vote NO

Bans Tax on "Groceries." Measure 103 is not about limiting the cost of food, but rather an attempt by the large corporations to freeze favorable corporate tax advantages in Oregon. Amending our constitution to exempt industry segments from any prospect of tax reform will only make it more difficult to solve the problems of individuals in need.

Measure 104: Vote NO

Defines Raising Revenue for Three-Fifths Vote Requirement.

Over time, Measure 104 will reduce revenue for schools, health care and services needed by the vulnerable, while protecting wealthier Oregonians and large corporations in securing tax breaks.

Measure 105: Vote NO

Repeals Sanctuary State Law.

Our sanctuary law protects Oregonians from racial profiling and prevents local police personnel, funds, equipment and facilities from being used to pursue and detain people suspected only of violating federal immigration law. Preserving this law means protecting Oregon values and priorities.

Measure 106

Bans Public Funds for Abortions.

EMO extends an invitation to delve deeply into the sincerely-held, faith-based values that lead people of faith to support or oppose the public funding of abortion. In our *Voters' Guide*, we reference the measure's focus on taxpayer funding for abortion, but largely focus on the shared values and beliefs that connect those inclined to support and to oppose this measure.
