

Celebrate With Us!

- Are you a current or past client/student of SOAR?
- Do you have some way you like to express yourself through art? (painting, poetry, watercolor, sculpting, weaving, photography, graphic design, etc.)
- Do you want to share a piece of your story, culture or home country with others?

Join our art project as we hope to showcase the stories and talents of the clients we have served the last 30 years. We will display your artwork publicly either in our office, on our website or through a video for community members and clients to see.

Please come by our Portland office starting Tuesday, February 22 through Friday, March 11 to pick up supplies and specific instructions on how to participate!

If you have any questions please call **(503) 379-0964** or email soarlegalintern@emoregon.org
