01 Donate \$150 to furnish a refugee family's **ENTIRE** house!

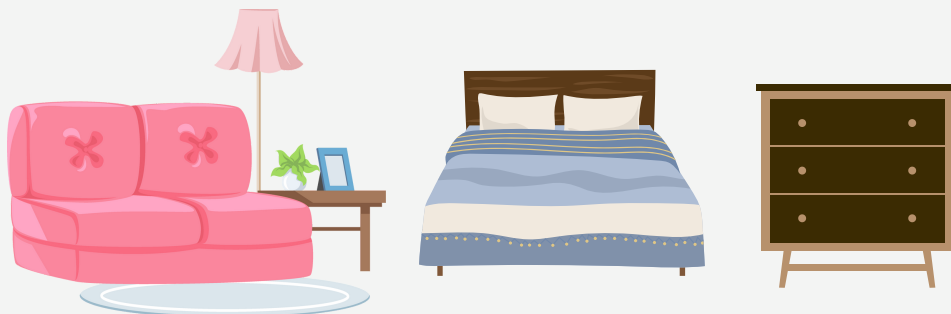

For \$150 you can help a family furnish their **ENTIRE** household with needed furniture such as dressers, tables and chairs, beds, and more!

How is this possible?

We schedule appointments at Community Warehouse, a furniture bank where families can select any needed furniture they want during the duration of their appointment. The cost of these appointments are **\$150**.

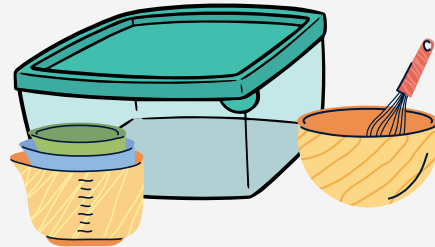

How Do I Donate?

You can send your donation online at <https://emoregon.org/soar/donate>. In the "Leave a Comment" box you can write "Community Warehouse appointment". You can also write out a check to Sponsors Organized to Assist Refugees for \$150 (or more!). In the memo, write "Community Warehouse Appointment". You can drop off the check directly to the SOAR office at 7931 NE Halsey St., Suite 314, Portland, OR 97213. We can issue you a tax-deductible donation receipt.

Build a "Re-Start Kit"

What is a Re-Start Kit?

Most refugees arrive with next to nothing. You can help them rebuild their lives in Oregon by assembling a "Re-Start Kit". Re-start kits are plastic tubs filled with essential household items. Re-start Kits are divided by the areas of the home (e.g. "Bathroom Kit", "Bedding Kit", "Kitchen Kit", etc.). Choose one or more kits to build!

How Do I Build a kit?

If you're a current SOAR volunteer, we can match you to build a kit for a specific family that you can help deliver in-person if interested. (list of items on next page). For community members outside of SOAR's volunteer network, due to limited storage, please coordinate with the Volunteer Coordinator to be assigned a kit and drop-off at SOAR storage if there is space (it's helpful if you have your own storage so staff/volunteers can pick up kits). Plastic bins are preferred so families can use them as additional storage. However, boxes and totes are also acceptable.
